Dear Colleague,

Thank you for your interest in SJHS, LLC...

You will find that SJHS provides an exciting program which offers high pay for travel assignments. You may accept as many or few assignments as you would like, with opportunities to travel all over the United States.

Housing will be provided with full furnished accommodations, including travel allowance to and from each assignment. Deluxe benefit packages available, and monetary bonuses for the exceptional nurse.

File requirements vary with your medical specialty. Please see the attached file requirements. All SJHS documentations must reflect your legal name. Your file needs to be complete prior to traveling with SJHS. Our staff will work with you to facilitate this process. You are required to bring a complete file with you on all assignments.

We look forward to you becoming a part of our team.

Sincerely,

Marsha Sensat R.N.
